

WHAT IS ALCOHOLICS ANONYMOUS STEP 6?

Alcoholics Anonymous Step 6 says, “We became willing to ask God to help us remove our defects of character.” To understand exactly how this step works and what you need to do to take it, you may need to think about the steps that came before it.

Briefly, before getting to this point, we first have to admit that we have an alcohol problem, explore the concept of higher power and begin developing a relationship with our higher power. We also have to look honestly at yourself and your shortcomings so that you can get ready to ask God to remove them. So, this challenging step, which is the culmination of all the work done beforehand, asks us alcoholics to admit that we are powerless over all of our negative behavior, not just our drinking, and consider turning these behaviors over to our higher power. This can be scary or embarrassing just like when we admitted we were powerless over alcohol in the first place.

However, the step doesn’t ask us to turn over our defects yet – it just asks us to become willing to do so. Here are some ways that we might take this step:

Realize that we don’t have to do this step just once. We, as alcoholics suffer from perfectionist thinking. We believe we have to do everything perfectly in order to recover from alcoholism and stay sober. This

type of thinking can be overwhelming; some of us alcoholics think that we have to turn over everything that we want to change in our lives to our higher power all at once. Instead, we consider turning one or two serious problems over to our higher power and leaving the rest alone for right now.

We should check our attitude. This step is about attitude, not behavior. This can be frustrating for us because we feel we always need to do something to fix a problem. So let’s replace all the behavioral changes we’ve tried to make without success with an attitude check. Every morning when we get up, let’s ask ourselves whether we feel willing to turn our negative qualities over to our higher power. Before speaking, we should ask ourselves if what we want to say is positive and based on a belief that our higher power will work things out or negative and based on self-will.

We should talk with our sponsor. An outside person can help us see where our attitude needs adjustment. We should talk to our sponsor about our defects of character. We should be willing to hear feedback. Whoever we talk to should let us know if we’re seeing a true defect of character and whether we are approaching it with a helpful attitude or not.

THE STEPS & THE TRADITIONS

STEP 6 - “Were entirely ready to have God remove all these defects of character.”

TRADITION 6 - “An A.A. group ought never endorse, finance or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property, and prestige divert us from our primary purpose.”

Alcoholics Anonymous to Celebrate Its 80th Birthday at 2015 International Convention in Atlanta July 2-5

Eighty years ago this June, an alcoholic who couldn't stop drinking was visited by an alcoholic who believed he'd found an answer. Since then, the fellowship of Alcoholics Anonymous (A.A.) – a loosely-knit society of alcoholics helping alcoholics – has grown to approximately 2 million members worldwide.

Practically every A.A. member has experienced firsthand a similar conversation in which a sober alcoholic offered his or her experience, strength and hope at no cost and with no obligation.

Every five years, thousands of A.A. members are joined by a variety of professionals, supportive community members and friends from around the globe to celebrate sobriety and fellowship, and to rededicate themselves to carrying the message of hope and recovery back home.

The 2015 International Convention of Alcoholics Anonymous expects approximately 61,000 attendees from 80 countries to convene in Atlanta July 2-5.

Literature displays and archival exhibits will illustrate the rich history and international heritage of a Fellowship whose literature spans 90 languages and over 170 countries.

Committee Reports:

Archivist: Michael G.: Excused absence.

Archives: Michele T.: We are getting restarted on the tapes to MP3 computer files. Office volunteers with the help of Jeannie are invaluable. Thanks to all for their assistance. Thanks also to the laptop donation that is allowing us to get this project accomplished.

Bridge the Gap: Bari W. (women): No report. Dave F. (men): Unexcused absence.

General Service Liaison: Molly B.: Report from the District 8 business meeting that was held on April 19th. Chair Kevin D. welcomed all new and alternate GSRs. The next quarterly assembly will be held in District 7 in Fort Meyers at the Sanibel harbor Marriott July 24th-26th. Alt chair Michelle L. announced that the delegates report will be held at the triangle club on Sunday, June 14th. Special needs committee chair Jaki said that they are still looking for volunteers who would be willing to bring meetings to home bound or hospitalized alcoholics and also people who are willing to provide transportation to and from meetings and other AA functions to visually impaired. I have her email if anyone is interested in that. New Business Motions: Motion One: To pay the triangle club \$30.00 in addition to rent for use of the facility beyond the time allotted for the District 8 meeting. Motion passed with 2/3rds majority. Motion 2: That district 8 increase the budget for the 2015 founders day event from \$1,525.00 to \$2,500.00 dollars. Motion failed by 2/3rd majority. Motion 3: That the budget for the district 8 Founders day dinner be approved as written and that the event be held on June 20, 2015 at the Finland house. Motion passed by 2/3rd majority. Motion 4: That the budget for the Delegates report be approved as written. Motion passed unanimously.

Hospitals and Institutions: Kitty B.: We currently have 52 meetings brought into 19 facilities. We recently have a new coordinator at the Orchid (women's treatment). We have three openings at the Orchid for meetings if anyone's interested please get with me after the meeting. We still need a new Coordinator for Palm Partners. A new treatment center has opened in West Boca, I spoke with manager and they are looking to have three meetings a week, Monday, Tuesday and Friday from 6:30 - 8pm, we will need chairs and speakers for these meetings. We decided not to have the H & I meeting on the third Saturday of each month, due to the fact that no attendance for the past few months and the past four months only myself has been present. It has worked out if anyone is interested in Service they've been contacting Intergroup and Jeannie has been contacting me. Emily L. (co-chair): Unexcused absence.

Public Information: Stuart M.: I have decided to send letters out to all the public libraries to make sure that they have at least one conference approved book available to the public. I think at least one big book and maybe one 12 and 12 should be made available. I know they will not let us donate one so I will make sure that they order one unless they will take a donation. I am also going to try letters to all High Schools, Middle schools, Colleges, Police stations and Hospitals to see if we can have an actual literature rack. This may require a lot of work since someone will have to make sure the racks have information. I will also see if they have a place where a rack could be set. Additional ideas still in the works: offer videos as an option to the schools since it may be more attractive to students; list open meetings and holiday Alcaathons in the local media (newspaper or internet); another idea is to have SPCBI office volunteers ask new visitors how they found AA. This is something that I may need help with since I do not have knowledge on how to go about this. If anyone is interested please see me after the meeting or contact the Intergroup office. I am also going to get much more involved with the adopt a doctor program. I will going to the next meeting since I have not been able to attend due to personal issues.

SCAAN: Maryann & John T.: Articles are welcome and should be submitted to the Intergroup office by the 15th of the month.

Telephone Relay: Joe M.: The telephone relay currently has groups signed up through the end of July. We will be needing new groups to take on this commitment, July is not far off. If you and your group are interested in taking on the relay phone for a month and have questions about it, I am available to come to speak with your group in detail about what taking on the phone entails. Also as a reminder, if for some reason your group will be unable to fulfill the commitment let me know as soon as possible so that we can plan accordingly.

Where & When: Kaely L.: The Where and When is currently up to date. The 2015 April addition has gone to the printer. All old Where and When's have been sold. 5000 copies of the new addition have been put on the shelves and are available at the Intergroup office. Moving forward please send all of you updates and changes to the Intergroup office. A new addition will be printed sometime in the fall, I will announce a cut off date when that time approaches.

12th Step Committee: Ginger G. (women): No report. Scott K. (men): Unexcused absence.

Liaison to North County Intergroup: Gary K. (selected updates included in this summary): North Palm Beach County Intergroup met on April 8, 2015. Chairman Advisory Committee met for the final time of this term of office. The Old Timer's Speaker Event went extremely well. Treasurer Overall the Intergroup's finances are strong. Office Manager Office activity for March was 731. Public Information: Chair was contacted by an assistant director at the 'Butterfly House', (P.B. County sexual assault emergency response office - on the campus of Wellington Regional Medical Center). PI provided them with literature. TODAY: This month, 650 copies of the TODAY were printed. Institutions Committee: The committee currently takes 74 meetings per week to 39 facilities throughout Central and Northern Palm Beach County. New facilities frequently contact Intergroup with interest in meetings for their facilities. Always have a need for new volunteers. Open committee chair positions: Group Contact and Bridging the Gap. Old Business: None. New Business: None. For a detailed report, contact the Intergroup office.

2015 Intergroup Annual Picnic: Joe A.: Thanks to all the volunteers for their time. It is greatly appreciated to "carry the message of hope" to our Fellowship. I'd also like to thank the Intergroup chair and office manager for the opportunity to be of service. The picnic started at 11:00am and food was promptly served at 11:30. The games committee did a wonderful job. The bounce house wasn't too popular this year, we think it was too hot inside for the kids. Face painting was incredibly popular. We saw smiles galore on many decorated faces young or "older." Raffle tickets were sold for 50/50, a 50" LED TV and a \$250.00 Food gift card. We had live entertainment during the picnic. We planned on 300 for the menu. The food committee set up grills and served delicious food to all. We have inventoried the items we will use for next years picnic. We are certain we will defray some costs for next years picnic by being conscientious of our usage and spending. An inventory has been provided to the Intergroup office. Suggestions for next years event: discontinue bounce house rental due to lack of use; have picnic earlier in year to avoid the heat; purchase a good canopy for the ticket table, rather than rent tables maybe borrow them from a club house; confirm clean up crew members and be sure they stay for their commitment, this year most left early leaving the cleanup to a few individuals. We will be having a closing meeting with all volunteers in the near future at the Intergroup office. Thank you again for all WE have accomplished.
